The person specification requires a qualification or experience that I do not have. Is it still worth me applying?

The person specification has the key knowledge, skills, experience or behaviours needed to carry out the job successfully and you will be scored based on any information you provide. If you don't quite meet the criteria, for example if you have an understanding of something rather than experience of doing it yourself, you may still pick up points for explaining your understanding or how you might approach it. However, some of the person specification points, for example specific qualifications, are critical to the role so if you don't meet those requirements, you are unlikely to be shortlisted.

Can I apply by sending my CV?

How can I maximise my chance of being shortlisted?

It is important that you complete all sections of the online application form to ensure that the recruiting panel understand your interests, skills, behaviours, knowledge and experience.

Shortlisting is mostly based on the information you provide in the assessment form section. A strong application will also be in line with the **Crisis Values** that you can find on our website.

Please note! If you don't provide full responses against the person specification points, the panel won't be able to score your application fully and it will be unlikely there is enough information for you to be shortlisted.

How quickly will I know if I have been shortlisted?

Every recruitment campaign will be different depending on how quickly the shortlisting panel can review applications but if you have not been shortlisted, you will receive an email from us confirming that.

There is a word limit of 400 per answer so it could be that you have exceeded the limit and that is what is preventing you from saving your work.

I filled in the personal statement section and tried to save it/submit it. However, it wouldn't do this and my information was lost. Is there any way to retrieve it?

You are encouraged to record your answers in a Word document first before copying and pasting your answers into the online application form, using the keyboard shortcuts Ctrl + C to copy and Ctrl
